I. BASIS OF ASSESSMENT OF MEMBER STATES' CONTRIBUTIONS TO ONUMOZ FOR THE PERIOD 15 OCTOBER 1992 TO 30 JUNE 1994

A. Period from 15 October 1992 to 30 June 1993

1. By resolution 797 (1992) of 16 December 1992, the Security Council decided to establish a United Nations Operation in Mozambique (ONUMOZ) for a period until 31 October 1993. By resolution 47/224 A of 16 March 1993, the General Assembly decided "at this stage, to appropriate, in accordance with the recommendation contained in paragraph 14 of the report of the Advisory Committee, a lump sum amount of 140 million United States dollars, inclusive of the amount of 9.5 million dollars authorized with the prior concurrence of the Advisory Committee, for the period from 15 October 1992 to 30 June 1993, inclusive".

2. The amount so appropriated by the General Assembly was apportioned among Member States in accordance with the provisions laid out in section I.F below and is shown in section IV. The apportionment was executed in two parts so as to take into account the provisions of General Assembly resolutions 46/198 A of 20 December 1991 and 47/218 of 23 December 1992.

B. Period from 1 July to 31 October 1993

3. Under the terms of its resolution 47/224 C of 14 September 1993, the General Assembly decided "to appropriate to the Special Account for the United Nations Operation in Mozambique a total amount of 54 million United States dollars gross (52,785,200 dollars net) for the Operation in Mozambique for the period from 1 July to 31 October 1993". It further decided that there should be set off against the apportionment among Member States their respective share in the Tax Equalization Fund of the estimated staff assessment income of $1,214,800 for the period from 1 July to 31 October 1993 approved for the Operation in Mozambique.

4. This amount has now been apportioned among Member States in accordance with the provisions laid out in section I.F below and is shown in section V.

C. Period from 1 November 1993 to 28 February 1994

5. By resolution 882 (1993) of 5 November 1993, the Security Council decided to renew the mandate of ONUMOZ for a period of six months until 30 April 1994. By decision 48/473 A of 23 December 1993, the General Assembly authorized the Secretary-General to enter into total commitments up to the amount of $82,308,700 gross ($80 million net) inclusive of the authorization provided under General Assembly resolution 47/224 C of 14 September 1993 for ONUMOZ for the period from 1 November 1993 to 28 February 1994. It further decided, as an ad hoc arrangement, to apportion at this time the amount of $61,731,500 gross ($60 million net), and to set off against the apportionment among Member States their respective share in the Tax Equalization Fund of the estimated staff

assessment income of $1,731,500 for the period from 1 November 1993 to 28 February 1994.

6. This amount has now been appropriated by General Assembly resolution 48/240 of 24 March 1994 and apportioned among Member States in accordance with the provisions laid out in section I.F below (see sect. VI). The apportionment was executed in two parts so as to take into account the provisions of General Assembly resolution 47/218 of 23 December 1992 and decision 48/472 of 23 December 1993.

D. Period from 1 November 1993 to 30 April 1994 (additional)

7. By resolution 48/240 of 24 March 1994, the General Assembly decided "to appropriate to the Special Account for the United Nations Operation in Mozambique a total amount of 161,799,100 United States dollars gross (159,462,400 dollars net) for the Operation in Mozambique for the period from 1 November 1993 to 30 April 1994, inclusive".

8. It was further decided, as an ad hoc arrangement, to apportion the additional amount of $100,067,600 gross ($99,462,400 net) for the period from 1 November 1993 to 30 April 1994, taking into account the amount of $61,731,500 gross ($60 million net) already apportioned in accordance with General Assembly decision 48/473 A (see para. 5 above), and that there should be set off against the apportionment among Member States their respective share in the Tax Equalization Fund of the additional estimated staff assessment income of $605,200 for the period from 1 November 1993 to 30 April 1994 and their respective share in the unencumbered balance of $21,527,100 gross ($21,212,300 net) for the period from 1 July to 31 October 1993. This served to reduce the level of commitments for the six-month period from 1 November 1993 to 30 April 1994 (additional) to $78,540,500 gross ($78,250,100 net).

9. This amount has now been apportioned among Member States in accordance with the provisions laid out in section I.F below and is shown in section VII. The apportionment was executed in two parts so as to take into account the provisions of General Assembly resolution 47/218 of 23 December 1992 and decision 48/472 of 23 December 1993.

E. Period from 1 May to 30 June 1994

10. Under General Assembly resolution 48/240, the Secretary-General was authorized "to enter into commitments for the Operation in Mozambique at a rate not to exceed 26.9 million dollars gross per month for a period of up to three months beginning 1 May 1994, subject to the Security Council deciding to extend the mandate of the Operation beyond 30 April 1994, the amount of 53.8 million dollars gross to be apportioned among Member States in accordance with the scheme set out in the present resolution".

11. By Security Council resolution 916 (1994) of 5 May 1994, the mandate of ONUMOZ was renewed for a final period until 15 November 1994. Accordingly, under the authorization granted to the Secretary-General by the General

Assembly, an amount of $53,800,000 gross ($52,873,000 net), representing commitments for ONUMOZ for the period from 1 May to 30 June 1994 was apportioned among Member States in accordance with the provisions laid out in section I.F below and is shown in section VIII.

F. Apportionment of the costs of peace-keeping operations

12. On 11 December 1973, the General Assembly adopted resolution 3101 (XXVIII) on the financing of the United Nations Emergency Force (UNEF II). Under the resolution, the membership of the United Nations was divided into four groups: (a) the States permanent members of the Security Council; (b) specifically named economically developed Member States that were not permanent members of the Security Council; (c) economically less developed Member States; and (d) economically less developed Member States that were specifically named. The resolution also specified the amounts of the total appropriation to be distributed among each of the four groups.

13. The four amounts specified in the resolution were established by a methodology intended to produce the following results: the Member States in group D would pay 10 per cent of the assessment rates established for the regular budget, those in group C would pay 20 per cent, those in group B would pay 100 per cent and those in group A would pay 100 per cent plus the amounts not otherwise apportioned.

14. Within each group, according to the terms of resolution 3101 (XXVIII), the amount appropriated was to be distributed among the respective group members on the basis of the relative weight of each group member's regular rate of assessment in relation to the total rate for the group.

15. The scheme for the apportionment of costs set out in resolution 3101 (XXVIII) has continued to be applied since that time for all peace-keeping operations financed through assessed contributions, including ONUMOZ. However, the composition of the four groups of Member States has changed repeatedly since 1973 as a result of the admission of 52 new Member States, including 6 new Member States in 1993, and the decisions contained in the various General Assembly resolutions, the latest of which is resolution 43/232 of 1 March 1989, as adjusted by resolutions 44/192 B of 21 December 1989, 45/269 of 27 August 1991, 46/198 A of 20 December 1991 and 47/218 of 23 December 1992 and decision 48/472 of 23 December 1993. The percentage shares shown in sections IV, V, VI, VII and VIII below demonstrate the results of the application of the scheme, using the scale of assessments for the period 1992-1994, adopted by the General Assembly in its resolution 46/221 A of 20 December 1991 and adjusted in accordance with General Assembly decision 47/456 of 23 December 1992 and resolution 48/223 A of 23 December 1993.
